WEB ALERT

FOCUS OF THE WEEK : Katrina Hurricane Hit U.S.

Katrina hit Louisiana and the coasts of neighboring Mississippi, Alabama and western Florida with winds of 224 kilometers per hour on Monday August 29, killing hundreds of people and swamping thousands of homes in one of the most punishing storms on record in the United States. Nearly 2 million customers were without power Tuesday in Louisiana, Mississippi, Alabama and the Florida Panhandle. **Katrina** may take title as worst storm to hit US.
